I recently attended the State Assn. of County Retirement Systems’ (SACRS) Spring Conference with over 600 Trustees, staff members and investment advisors in attendance. The SACRS conferences are always geared towards helping Trustees to be better stewards of our system’s assets and it is essential that we acquire the education necessary to perform our duties. SACRS’ conference topics generally include: Alternative Investing, Asset Balancing, Defined Benefit Plans, Defined Contribution Plans, Governance, Hedge Funds, International and Domestic investment strategies, Investment Technology, Money Managers, Private Equity, Real Assets, Real Estate, Regulation and Legislation, Trading and Research and Venture Capital.

As you have recently seen in the press, discussions about public employee pension benefits or sustainability issues is often fraught with tension and acrimony. Your REFCO Board members are very concerned with what we read and let me assure you that pension sustainability is our number one obligation by assuring that the Fresno County Employees’ Retirement Association Board delivers on it’s promises that were made to each of you when you began your career and again when you retired from Fresno County employment.

REFCO Board members and volunteers continue to serve our members by attending FCERA’s board meetings, performing outreach with the other 1937 Act counties through the California Retired County Employees Assn. (CRCEA), presenting at FCERA’s retirement seminars, producing our REFCO newsletter, and developing our REFCO web site to assist you in staying informed.

In closing, I want to sincerely thank each of you for your membership and your participation in REFCO’s activities and luncheons. Your support for REFCO is very much appreciated by each of our Board members and we all wish you wellness and happiness for this upcoming summer season!

### Please Help Us Keep You Informed

Currently REFCO's email list consists of 1,000 entries and our mail list consists of 2,800 entries. Some of you prefer to receive both versions, while most of you prefer one or the other.

**EMAIL** Although emailing is the simplest way to send the information, we continue to have problems getting the information to you, i.e. your mailbox is full or you have changed your email address and did not notify us. PLEASE remember to email your new email address to refco.medna.mg@gmail.com. Also indicate if you prefer to receive both versions of the notices, or the email only.

**MAIL** We do receive some address changes from FCERA, but we continue to get returned mail from the USPS indicating that you are not at the address we have on file. If the USPS has a more current address, they notify us in writing and forward your mail to your new address. PLEASE remember to either email or mail your new mailing address to: j-clark@pacbell.net. Also indicate if you prefer to receive both versions of the notices, or the mail only.
Live Inspired!

Challenge your intellect. Explore topics of interest or discover a new passion. Connect with new and interesting people in the community. You could do all that through the Osher Lifelong Learning Institute (OLLI) at Fresno State.

Be sure to come to our July 19 luncheon because our special guest will be Jill Wagner, the Executive Director of OLLI. She will inspire you with her presentation about the OLLI learning opportunities for those of you who are age 50 or better. There are no tests, grades, or papers – just learning for enjoyment, personal growth and intellectual stimulation with like-minded people. The theme of the Fresno State OLLI is “live inspired” and their offerings are designed to do just that. Choose from a broad range of courses and activities: classes, lectures, field trips and hands-on activities. OLLI offers non-credit, university-level learning opportunities for older adults right on the Fresno State campus.

The OLLI program offers learning in the spring and fall semesters as well as summer. OLLI members enjoy several large format general sessions each semester on topics of interest. In Fall 2018, members will hear nationally-known speaker Ashton Applewhite, who reveals the untapped possibilities of later life—in our communities, at work, and in ourselves.

Each semester offers dozens of short courses, a book club, field trips and hands-on experiences. A $40 membership fee includes attendance and on-campus parking pass for all General Sessions, and eligibility to attend courses, field trips and hands-on experiences for nominal additional fees.

OLLI connects you with curious fellow learners and engaging instructors, including Fresno State and other area faculty, authors, artists and local experts. OLLI offers chances to dive into learning and recapture the thrill of intellectual growth and camaraderie of a vibrant learning community.

Join us at Pardini’s on July 19!
